

Kia ora e te whānau,

Haere mai ki te October ARTickle. Recent weeks have seen a real flurry of activity at the station. We've had potential new Showmakers turning up, eyes wide with the possibilities of this place. We're currently working with 3 new Showmakers, but can't let the cat out of the bag til they start broadcasting. Watch this space!

End of Year Party

Save the date!

It's settled - our End of Year Bash will be held on **Friday 29th Nov, 6 til 10pm.**

We'll send out further details soon, but please mark this one in your calendars now. As usual, it's a family-friendly event, so get your Number 1 Supporters booked in for this great night out.

Christmas Dates

While we're at it, here are our Christmas dates:-

- Last day for recording – Fri 20th Dec
- Last day at station - Mon 23rd Dec
- Station re-opens – Tues 14th Jan

We encourage all Showmakers to pre-record shows for the break. Please talk to us about how and when to do this. For live shows, it may be possible to continue doing these during the break, if this works for you. Whatever you plan to do, please let us know so we can accommodate your needs.

New Show Alert

We really want to tell you, but not til they start broadcasting, sorry...

Farewell to

The Swiss Music Show

Starting way back in 2014, Fredi and Andre have produced over 300 episodes of this epic music show. Sadly, our Showmakers are retiring, but huge thanks to Andre and Fredi for all those years of bringing Swiss music to Taranaki, and to the world.

We'll leave the door open, just in case...

Milestones

Colours of the Heart

Congratulations to Rex on hitting 170 episodes. As Rex usually has a guest, that's a heck of a lot of interesting people sharing their different perspectives on life!

Rhodie Remembers

Graham (Rhodie) has doing a fabulous job of presenting his live show, every Friday since July 2020. He's up to 205 episodes and counting.

Una Lloradita y a Seguir

Congratulations to Maria and Clarisa for their 20th broadcast. These señoras have presented their show, in Spanish, every week since June. We don't understand Spanish, but we do get laughter, and there's plenty of that!

Booking Studio Time

We're a busy little station at the moment. Please remember that if you need to make or change a booking for studio space, it's best to do it with as much notice as possible.

Staff Changes

The board are still busy looking for the perfect applicant to join our staff. Nothing ready to report at this stage, but we promise you'll be the first to know when there is. Meanwhile, business as usual as the team manage Evie's jobs with professionalism and grace.

Art for ARTspace

Dave "Tex" Smith is a man of many talents, one of which happens to be digital portrait creation. Drop in to ARTspace this month to view his incredible work, and tune in to Sugar Loafing Arts Cast to hear all about his process. Dave also takes commissions...

Sugarloafing Arts Cast, Saturdays at 11am, or anytime on demand

Using Zoom for Interviews

Do you like to have guests on your show? Sometimes it can be tricky to have all parties, and a studio available at the same time.

Zoom is a really great tool that can easily be used to record conversations, which can be included in your show. Contact us to discuss how this could work for you. Zoom can be used for both live and pre-recorded shows.

That's all for this month.

Mā te wā,

Anne, Kris, Michelle, and Phill
